

DIFFERENT DESTINIES; DIFFERENT SEASONS! HOLD ON!

Welcome to today's devotional. On a particular day, I got this text below: "Sir, your prayers WORKED. My daughter graduated as a medical doctor and my son won the American visa. I shall continue to sow into the ODM vision. Thank you sir" From Mrs. O.M.Y (+234-803-614-7696). Then, just as I was rejoicing with this beloved sister, another text popped into my phone: "Sir, again my promotion has been given to another. I feel like vanishing from the earth. What a humiliation! Must I cry and suffer before I get anything?" From: (+234-803-3442-375). Then it occurred to me again that indeed, every child of God has his/her season of manifestation and every harvest is tied to a season! While some are crying, some are laughing! That is why you must NEVER envy or make a mockery of others! See how today's scripture vs. 3 describes any faithful child of God: "...he shall be like a tree planted

BASIC SCRIPTURE: PSALM 1:1-6

by the rivers of water, that bringeth forth his fruit in his season..." Note: **"IN HIS SEASON."** That means that your fruit/harvest is tied to a

season! The Holy Ghost is saying again: **Do Not Envy The Season Of Others; Your Season To Be Envied Will Show Up!** If you are single, don't envy those that are married. If your marriage is not working fine for now, don't envy those that are the acting "Romeos and Juliets" of this season. **Truth is that God has given everyone of us different seasons to manifest in order to see the need for one another. NOBODY HAS IT ALL!** Why do some regions of the earth have sunshine while others are experiencing moonlight? Why does the moon and the sun not manifest at the same time? Hear Elizabeth O'Connor: "Envy is a symptom of lack of appreciation of our own uniqueness and self worth. Each of us has something to give that no one else has." No wonder Lawrence Durrell in the play "Justine" shouted: **"It is not love that is blind, but jealousy."** Envy no one! Wait for your season! It must come! **(Be in your local church tomorrow).**
